

So thank you for your continued support of us and our colleagues in the prisons of Greater Manchester. Thank you for your continued prayerful support of the people we try to support. Thank you for your continued support of the many people who work in the prison service and justice system.

We will continue to pray for you too, because by praying for each other and with each other we remind ourselves of our part in the great working out of God's kingdom. We remind ourselves that we are sisters and brothers together in Christ. We remind ourselves that in the power of the Holy Spirit we go forward together in God's name.

PRISON PRAYER LETTER NOVEMBER 2017**

**'On Him we have set our hope that He will continue to deliver us as you help us by your prayers' 2 Cor 1:10**

I used to be a chaplain at Manchester Airport. Spend any time in an airport environment wearing a yellow jacket and you will be amazed at how many people ask you for directions. I guided people to check in with minutes to spare. I became quite good at knowing the quickest route to each terminal from anywhere else. I learnt which airline operated from which terminal. I even became an expert on the positioning of car parks because so many people discovered their car wasn't where they thought they had left it two weeks ago. Sometimes it was a case of giving directions; often it was much better to walk alongside them and guide them to their destination.

Those of us in prison whether prisoners, staff or even chaplaincy members are isolated from the wider world and the wider church by the very nature of our institutions. We need to be constantly reminded of our part in the bigger picture, we need others to remind us they are alongside us, we need people to walk alongside us to care, guide, nourish and support us. That is why this prison prayer letter is so important. It reminds us there is a bigger world out there, a bigger church out there. God is in here but God is also out there.
