PRISON PRAYER LETTER JANUARY 2020

In January 2016 I started to volunteer at GMCC, initially I said that I only wanted to work Tuesday and Wednesday, but again God had other ideas for me so I was then asked to take minutes at a meeting on Mondays, so this I did. Money was a bit tight so again after much prayer, two vacancies became available for six paid hours per week; I applied for the post and was successful, so now I am the café/admin support.

I really enjoy my work here, and love getting to know people and being able to chat to both our clients and

customers I serve, and of course my colleagues. There are so many needy people come into the café who need help in many different ways, not just financially some just to have conversation. I feel that the work I do is very rewarding, and I am where God wants me to be and doing what he wants me to do.

This month our article has been written by Andrea, one of our faithful staff/volunteers, who has been with us since January 2016. and now works on 4 days each week.

She is an integral part of the team and has become the face of Café Central. Thanks to Andrea and all the other volunteers we are able to continue the work we do.

### Andrea's story

After working in the NHS for 26 years, the Lord told me it was my time to finish.

So after much prayer by myself and close friends, I decided to take early retirement from the NHS. But my biggest question and thoughts were what I would do with all this spare time, but God had already got that planned out for me.

In the mid 80's I, along with others from my church, started to attend the prison rallies at the Methodist building, this gave me an interest in the prison fellowship. As I worked full time I couldn't get involved, but I always felt that someday I would like to get involved in some way.
