Prison Prayer Letter Update

Warm greetings from all here at GMCC.

Please accept our apologies that the regular Prison Prayer Letter has not been produced for the month of November 2026. This is due to the challenging financial circumstances facing the Chaplaincy, which resulted in the redundancy of paid staff including Reggie the Chaplain at the end of September 2026.

GMCC is now entirely volunteer-led, and we are working through this transition while seeking and praying for ways to sustain this important Ministry. During this phase James, GMCC former Volunteer Coordinator, will serve as volunteer Centre Manager and I will support as Volunteer Chaplain and our wonderful volunteers continue to support clients and keep our café running. I have served GMCC over the last ten years in different volunteering roles but have spent quite a lot of those years supporting the Chaplain.

As we do our best to navigate this situation, we would be deeply grateful for your prayers, particularly for:

* **Sustaining the Ministry**: Pray for God's continued guidance and provision as GMCC navigates this challenging season. Pray for all our Trustees who have had to take on additional roles in ensuring that GMCC continues to exist although in a different form.

* **Strength for all willing volunteers**: Pray for renewed strength, wisdom and encouragement especially for all individuals giving their time to support the work and activities of GMCC in its current state.

* **Future Provision**: Pray for the resources and opportunities needed to sustain and develop this vital work being the support to Chaplains, Staff, Inmates and their families of Prisons. Pray that very soon GMCC will be able to resume the production of its vital Monthly Prison Prayer. We will do our best to have one produced for December.

* **Hope and encouragement**: Pray for Chaplaincy teams, staff teams, prisoners, their families and all those involved in Prison Ministry, that they may continue to experience and express God's Grace, Love, Compassion and Encouragement.

Thank you all for your continued partnership, generous donations, understanding and faithful prayers. Your prayer support remains deeply valued, particularly during this challenging period. The many letters of support have really spurred us on to keep going,

With every blessing

C. Eva Manley

Volunteer Chaplain.
